FUJITSU Image Scanner fi-65F

Compact design ideal for use at a counter desk

The fi-65F scans documents in a mere second (A6 portrait 200/300 dpi), and guarantees short wait times with quick startup times of half a second.

Compact design to scan anywhere

The fi-65F is the smallest scanner* in its class to scan identification and small cards of all types and sizes – such as driver's licenses, passports, insurance cards, credit cards, and small survey forms. Capable of drawing power from computer USB ports, it can be used even in environments with no AC power sources. Its compact design also allows use in cramped spaces, making it the best scanner for countertops at banks and car rental offices, as well as receptions at hotels, hospitals, and retail environments. Perform quick scanning operations naturally while talking with your customers.

Boosted productivity with easier operation

Scan and save images with just one touch of the button. Coverless scanning capabilities also allow scanning without repetitive opening and closing of the cover before, after, and between each scan, making scanning tasks much more efficient. Various intelligent image processing functions like Automatic Cropping, Automatic Rotation, and De-skew enable you to scan high quality images confidently without adjusting any settings.

Environment-friendly specifications

Not only does the fi-65F comply with ENERGY STAR and RoHS, but its entire manufacturing process complies with strict environment regulations.

Advanced software for maximized efficiency

Bypass the inconvenience of making fine adjustments to OCR settings with the PaperStream IP scanner driver, supporting both TWAIN and ISIS. The software automatically converts scanned images into exceptionally clean images, supporting OCR accuracy even when scanning documents with background patterns or wrinkled and soiled documents. Working with the driver, PaperStream Capture effectively and efficiently feeds information into users' organizations workflow with its various batch scanning capture features.

* Based on PFU's investigation performed as of September 1st, 2013 for A6 business document scanners.

Technical Information

| | | |
|--|--|---------------------------|
| Scanner Type | Flatbed, Simplex | |
| Scanning Speed* ¹ (105 x 148 mm / 4.1 x 5.8 in. / A6) | | |
| AC Adapter | Color | 1.7 seconds (200 dpi) |
| | Grayscale/Monochrome | 1.0 seconds (200/300 dpi) |
| USB Bus-Powered | Color | 2.0 seconds (200 dpi) |
| | Grayscale/Monochrome | 2.0 seconds (200/300 dpi) |
| Image Sensor Type | Color CIS (CMOS CIS) | |
| Light Source | 3 Color LED | |
| Optical Resolution | 600 dpi | |
| Output Resolution (Color / Grayscale / Monochrome) | 50 to 600 dpi (adjustable by 1 dpi increments), 1,200 dpi (driver)* ² | |
| Output Format | Color: 24-bit, Grayscale: 8-bit, Monochrome: 1-bit | |
| Background Colors | Black | |
| Document Size | Maximum: 105 x 148 mm (4.1 x 5.8 in.) | |
| Interface | USB 2.0 / USB 1.1 | |
| Power Requirements | AC 100 to 240 V ±10 % | |
| Power Consumption | | |
| Power Cable Connection | Operating Mode | 8 W or less |
| | Sleep Mode | 2 W or less |
| | Auto Standby (Off) Mode | 0.5 W or less |
| USB Bus Power Cable Connection | Operating Mode | 5 W or less |
| | Sleep Mode | 2 W or less |
| | Auto Standby (Off) Mode | 0.5 W or less |

| | |
|---|---|
| Operating Environment | |
| Temperature | 5 to 35 °C (41 to 95 °F) |
| Relative Humidity | 20 to 80% (non-condensing) |
| Environmental Compliance | ENERGY STAR®, RoHS |
| Dimensions* ³ (Width x Depth x Height) | 145 x 234 x 40 mm (5.7 x 9.2 x 1.6 in.) |
| Weight | 0.9 kg (1.98 lb) |
| Supported Operating System | Windows® 10, Windows® 8.1, Windows® 7, Windows Server® 2019, Windows Server® 2016, Windows Server® 2012 R2, Windows Server® 2012, Windows Server® 2008 R2, Windows Server® 2008* ⁴ |
| Included Software / Drivers | PaperStream IP Driver (TWAIN/TWAIN x64/ISIS), WIA Driver* ⁵ , PaperStream Capture, Software Operation Panel, Scanner Central Admin |
| Included Items | AC cable, AC adapter, USB cable, USB bus power cable, Setup DVD-ROM |

Options

| | | |
|---|--------------|--|
| 2D Barcode for PaperStream | PA43404-A433 | Reads PDF417, QR code, Data Matrix, Aztec Code |
| PaperStream Capture Pro Scan Station (WG) | PA43404-A665 | PaperStream Capture Pro optional license |

*¹ Actual scanning speeds are affected by data transmission and software processing times. *² Some limitations may apply to the size of documents that can be scanned, depending on system environment, when scanning at high resolution (over 600 dpi). *³ Protruding items are not included in indicated dimensions. *⁴ Requires PaperStream IP 2.2.0 or earlier. *⁵ Functions equivalent to those offered by PaperStream IP may not be available with the WIA Driver.
